# Riverside Miniature Railway

**St Neots  
 Awards 2017**

## About RMR

Riverside Miniature Railway is a community railway project built for the people of and visitors to, the Cambridgeshire market town of St Neots.

The RMR is an entirely voluntary, not for profit, club creating a 5" and 7 1/4" gauge railway through attractive parkland in the heart of our town. Rides are offered to passengers of any age on advertised dates behind either resident club locomotives or visiting engines. Members meet on other dates to learn how to operate the line or develop further aspects of the railway, including lengthening the running line.

New members are always welcome, no previous knowledge is required as any training will be provided and there is a job for everyone.

All monies generated from our £1-00 fare are used for development of the railway with any excess being donated to young peoples charities. To date we have supported Switch Now and Barnardos in this way.

## Tickets:

£1-00 - All classes (cash only)

Available from our station booking office.

## How can I get involved?

### Sponsorship

You can sponsor our track for £25 a metre. This includes a ticket for 10 free rides and a sponsorship plaque. Ask at the station or check the Sponsorship tab on our website.

### Volunteer

We're always looking for volunteers to develop and help run the railway. If you would like to be involved please make contact through the methods provided on the back of this leaflet.

### Support

RMR recognises with gratitude the ongoing community GRANT AID support from St Neots Town Council for the development of the Miniature Railway.
